# New Brunswick Formulary

# Product Updates

The drug products on the attached list have been added to the NB Formulary (interchangeable pharmaceutical products list). Product selection, using these additions, can begin immediately for all residents of the province.

These changes in the interchangeable products list do not necessarily reflect changes in drug benefit plan formularies. Please check with individual third party payers regarding benefit status.

To unsubscribe from the NB Formulary emailed announcements, please send a message to info@nbpdp-pmonb.ca. The Updates are available on the NBPDP webpage http://www.gnb.ca/0212/NBFormularyUpdate-e.asp
