*September 30, 2009 to September 30, 2010*

**Policy and Planning Division  
Department of Education and Early Childhood Development**

**The following report is based on student tracking information provided by all New Brunswick public schools that house grades 7 and higher.**

**For the purpose of this report, enrolment includes only those students who were active on September 30 of a given year and had not previously graduated.**

**The dropout count is based only on students who were active on September 30, dropped out and did not return to school by the following September 30.**

**The tables that follow provide dropout statistics for the period September 30, 2009 to September 30, 2010 and include summary figures for previous reporting periods starting September 30, 1997.**

**Students attending alternative learning centres affiliated with a public school are counted as part of the school's enrolment. This contributes to/affects the dropout rate for that particular school.**
