Questions about the effect of a proposed change in use of registered property Registry of Agricultural Land and Farm Land Identification Program

The owner of real property that has been registered may apply to the Registrar to determine whether a proposed use may result in deregistration of the real property under the program, and the Registrar, upon receiving such a request shall, after due investigation, issue a certificate stating the position of the Registrar on the matter.

I (we), owner(s) or authorized signing officer(s) of real property described by the Property Account Number (PAN) and Parcel Identification Number (PID) listed below, wish to have an opinion of effect of the following proposed change in use on the registration of my (our) real property under the Farm Land Identification Program and Registry of Agricultural Land.

Description of proposed change in use. (Please attach any sketches, maps or subdivision plans which may assist the Registrar in providing an opinion.)

Property Account Number(s) PAN(s)	Parcel Identification(s) PID(s)

Signature(s) of owner(s) or persons with signing authority in the event of corporate ownership.
