

Bulletin #825

January 18, 2012

NBPDP Update

The following change will apply to New Brunswick Prescription Drug Program (NBPDP) beneficiaries who receive the federal Guaranteed Income Supplement (GIS).

Effective January 1, 2012 the annual co-payment ceiling will increase from \$250 to \$500 in each calendar year. The co-payment for each prescription (\$9.05 per prescription) will remain unchanged.

If you have any questions, please contact our office at 1-800-332-3691.
