

Volume 47, Update No. 1

June 17, 2005

New Brunswick Formulary, Volume 47

Product Updates

Twenty-four drug products have been added to the interchangeable pharmaceutical products list. Product selection, using these additions, can begin immediately for all residents of the province.

Please update your current copy of the New Brunswick Formulary with the changes on the attached list.

These changes in the interchangeable products list do not necessarily reflect changes in drug benefit plan formularies. Please check with individual third party payers regarding benefit status.
