

Volume 51, Update No.2

September 2, 2009

New Brunswick Formulary, Volume 51

Product Updates

The drug products on the attached list have been added to the interchangeable pharmaceutical products list. Product selection, using these additions, can begin immediately for all residents of the province.

Please update your current copy of the New Brunswick Formulary with the changes on the attached list.

These changes in the interchangeable products list do not necessarily reflect changes in drug benefit plan formularies. Please check with individual third party payers regarding benefit status.
